(#)Effective with matriculation May 2014, (December 2013 application cycle), applicants must have earned at least a grade of C or better in PSYC 101, and STOR 151/155 (or approved equivalents). Students must have a minimum GPA of 2.8. **Additionally, students must earn a grade of B- or higher in BIOL252/252L, PHYI202 and MCRO251.**

(##) May not use online lab credit to meet requirement

All lower-division courses must be completed before beginning nursing courses.

Admission to the School of Nursing is competitive. The minimum cumulative grade point average for admission to the B.S.N. option is a 2.8 on a 4.0 scale, and the minimum cumulative grade point average for the A.B.S.N. option is a 3.0 on a 4.0 scale. Effective with January 2012 matriculation (August 2011 application deadline), applicants must have completed the two-course combination, Anatomy and Physiology I and Anatomy and Physiology II sequence from the same college/university, OR a complete course in Anatomy and a complete course in Physiology. If these courses are not completed on this campus, they must be approved equivalents to the courses offered at UNC–Chapel Hill.

For more details, please refer to the School of Nursing website, [www.nursing.unc.edu](http://www.nursing.unc.edu).
