#Math courses may be completed during junior year.	¥ B- or better required ** C or better required	HPM 600 (online)		PHYS 115 or 119

The Department of Nutrition provides an opportunity for honors study for qualified students. To be eligible for admission to the Honors program students must have, at a minimum, a cumulative grade point average of 3.3 at the beginning of their senior year and maintain the GPA throughout the major if they intend to pursue Honors. Students register for NUTR 295 (3 credits) every semester, and then, NUTR 692H (3-credits) in their final semester while completing an Honors Thesis in Nutrition.  
\*\* Grade of C or better (not C-) required.
