The Department of Nutrition provides an opportunity for honors study for qualified students. To be eligible for admission to the Honors program students must have, at a minimum, a cumulative grade point average of 3.3 at the beginning of their senior year and maintain the GPA throughout the major if they intend to pursue Honors. (##) 3 credit hours of research (NUTR 295) are required. Many students take 3-4 semesters, but those who choose to take only one should do so in their final semester. \*\* *Must receive a C (not C-) or better in all courses.*
