♦ **2.0 OR HIGHER GPA REQUIRED IN MAJOR AND MINOR CORE COURSES.** No more than 45 hours of ANTH or 45 hours of CLAR or 45 hours of CLAS courses may count toward graduation. # Archaeological Practice: Choose one lab course: ANTH 410, 411, 413/413L, 414/414L, 415/415L, 416, 417/417L, 418, or 425. Choose one field school course: ANTH 451, 453 or CLAR 650 (which may be satisfied with a minimum of 3 hours of transfer credit or 6 hours of UNC credit).

(##) **Additional Requirements/Substitutions:** Students are required to select courses from at least two of the participating departments (art, anthropology, classics, and religious studies). Courses that are cross-listed count under department in which student enrolls.

Students may count only three introductory archaeology courses (numbered below 200) toward their major. This restriction does not include courses used to fill electives in related fields.

For transfer students, at least half of the coursework in the major must be completed within the curriculum at UNC–Chapel Hill.

Subject to the approval of the advisor for the major, students may count graduate seminars towards fulfillment of their major requirements. Also subject to the approval of the archaeology major advisor, field schools sponsored by Study Abroad or other universities may be used to fulfill the archaeological practice field experience requirement.
