- ✓ Utilize the [Registrar's registration videos](#) for help navigating Connect Carolina. This will be a valuable resource as it will be critical to know the technological process when it comes to registration. Please note that students register for courses on their own, thus it is important to know how to navigate the process.
- ✓ Review the UNC [online catalog](#) to learn more about majors and minors. This guide features all policies, procedures and requirements for all degrees offered at the University. Please be sure to check the 2022-2023 version (mid-June) for the most up-to-date information as it relates to the upcoming academic year.
- ✓ Use the What-If Report for Newly Admitted Students [Microsoft Word - Pre-Matriculation What If Report.docx \(unc.edu\)](#). The What-If report will indicate where your transfer credit fall within the undergraduate curriculum.

Meeting with an Academic Advisor

Once you have attended a webinar, completed the Transfer Student Module, received your transfer credit report, and have further questions, students can utilize academic advising drop-in hours or schedule an appointment.

Committed students can attend drop-in hours or schedule an appointment ([See an advisor](#)) with Advising. You will need to have an active ONYEN. Our scheduler opens 15 days in advance so please keep in mind that April appointments may be limited.

If you have not committed and want to meet with Advising, you cannot do drop-ins, but can [schedule an appointment](#) with an academic advisor as a "Guest" and encourage you to attend the May 4 webinar for Non-Committed students. **Appointments are available from April 18 - May 6.**

Again, we congratulate you on your acceptance and look forward to seeing you soon.
